SALTS FINE FOR
ACHING KIDNEYSWe Eat Too Much Meat, which Clogs
Kidneys, then Back Hurts and
Bladder Bothers You.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful, effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he lies in overcoming kidney trouble sells lots of Jad Salts to folks who believe it is only trouble.—Adv.

SHOE PRICES WILL SOAR.

Shoes at "greatly increased" prices within a short time was the prediction of William Prather, connected with a large Baltimore shoe firm, made at the annual banquet of the Washington Shoe Retailers' Association in the Ebbitt House. Mr. Prather declared that importations of calf skin had been cut 50 per cent and horse skin—used for patent leather—50 to 75 per cent by the European war, whereas exportations of shoes to Europe, principally to soldiers, had increased \$5,000,000.

Other speakers were Arthur Burt, re-elected president of the association; Maurice Wyman, of Baltimore; Robert Berberich, I. B. Nordlinger, Edward L. Burns and Herbert J. Rich.

Arthur Burt was unanimously re-elected president; I. B. Nordlinger, vice president; Edwin Hahn, secretary, and Joseph Strasburger, treasurer.

Crossing Police Seek Equality.
 A favorable report on the Johnson bill to place crossing policemen on an equal footing with the members of the Metropolitan police department was sent to the House District Committee by the Commissioners yesterday. The bill provides that crossing policemen shall be entitled "to all the rights, privileges and immunities now possessed or may hereafter be possessed by other members of the Metropolitan police force."
